

Gateway Mastering Studios Production Worksheet

Our new protocol requires that I send you this for your attention. If you would be so kind as to fill in ALL the fields and answer ALL the questions below, if field doesn't apply please fill in N/A. Thank you for your cooperation.

Catalog #
Title:
ISRC:
UPC:
Approved Version #
CD Text:

ISRC information is available [https://usisrc.org/\(S\(ztdwfu55h1jfo3u1vhfdv155\)\)/ISRC_Home.aspx](https://usisrc.org/(S(ztdwfu55h1jfo3u1vhfdv155))/ISRC_Home.aspx) for artists within the United States. For international artists, please visit www.ifpi.org for ISRC application information.

The UPC (bar code) should be provided by your replication facility and allows for accurate title and timing download to your computer CD player (Real Player, i-Tunes).

CD Text is an option that only a few CD players have the capability to utilize. For CD players that have the ability to display CD text, we can input the information you provide in a text file that will be include with your master. You may want to check with your replication facility to see what the additional charge is .If you decide to include CD text on your master, please provide us with any information that applies below. We will input the information EXACTLY as you provide it to us so please make sure the spelling and punctuation is the way you want it to display before sending it to us.
